Limitations of Report

Incorporated by reference are the *Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* filed in the Debtors' Chapter 11 Cases [Docket Nos. 142–147] as if set forth herein with respect to the matters discussed herein. In preparing this Report, the Debtors, with the assistance of Alvarez & Marsal North America, LLC, relied on financial data derived from their books and records that was available at the time of such preparation. The information contained in this Report is subject to ongoing revision and discussion. Although the Debtors have made good faith efforts to ensure the accuracy and completeness of such information, subsequent information or discovery may result in material changes to the Report. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve the right to amend and/or supplement the Report, as may be necessary or appropriate.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While good faith efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law.

Nothing contained in this Report shall constitute a waiver or admission by the Debtors in any respect nor shall this Report or any information set forth herein waive or release any of the Debtors' rights or admission with respect to the chapter 11 cases, or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, any rights of setoff or recoupment, valuation methodologies, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Debtors are reviewing their assets and liabilities on an ongoing basis, including, without limitation, with respect to intercompany claims and obligations, and nothing contained in this Report shall constitute a waiver of any of the Debtors' or their subsidiaries' rights with respect to such assets, liabilities, claims, and obligations that may exist.

No Third Party Reliance

In no event will the Debtors or their agents, attorneys, and/or financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, in connection with any of the information contained or omitted in this Report.

The following notes, statements, and limitations should be referred to, and referenced in connection with, any review of the Report.

Other Notes

General Notes

- Basis of Presentation: The Debtors are filing this Report solely for the purposes of complying with the monthly operating reporting requirements applicable in the Debtors' chapter 11 cases. Information contained in the financial statements has been derived from the Debtors' books and records and historical financial statements. The financial statements have not, however, been subject to procedures that would typically be applied to financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), International Financial Reporting Standards ("IFRS"), or Singapore Financial Reporting Standards ("SFRS") and are not intended to reconcile fully with any financial statements of each Debtor prepared under GAAP, IFRS, or SFRS. Therefore, combining the assets and liabilities set forth in the financial statements would result in amounts that are substantially different from financial information that would be prepared on a consolidated basis under GAAP, IFRS, or SFRS.
- The financial statements and their figures are presented on a preliminary, and unaudited, basis and may be subject to material changes as a result of varying matters, including, but not limited to, any potential audit adjustments, annual procedures and analysis, changes in estimates, netting, and events subsequent to the balance sheet date.
- The preparation of the financial statements required the Debtors to make commercially reasonable estimates and assumptions with respect to the reported amounts of certain assets and liabilities, the disclosure of certain contingent assets and liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. The Debtors reserve their rights to amend the reported amount of assets, liabilities, revenues, and expenses to reflect changes in those estimates or assumptions.
- Net Book Value: In certain instances, current market valuations for certain assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' financial statements reflect net book values. Market values may vary, sometimes materially, from net book values. The Debtors believe that it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the financial statements that the values of certain assets and liabilities are undetermined or unknown. For this reason, amounts ultimately realized will vary, potentially materially, from net book values.
- Certain other assets, such as investments in subsidiaries, are listed at book values and may differ materially from fair market values.
- On February 10, 2023, the Debtors filed a non-binding Restructuring Term Sheet (the "Term Sheet") (ECF No. 80), which sets forth the general terms and conditions of certain related transactions (the "Transactions") that were, at the time of filing, agreed to in principle by an ad hoc group of creditors of Genesis Global Capital, LLC, the Debtors, Gemini Trust Company, LLC ("Gemini") and Digital Currency Group Inc. ("DCG"). On August 29, 2023, the Debtors filed a Public Update on Plan Discussions (the "Public Update") (ECF No. 625), detailing the agreement in principle reached between the Debtors, DCG and the Committee (the "Agreement in Principle"). The terms and "Transactions" contemplated under the Term Sheet and the Agreement in Principle are not reflected in the financial statements included in this Report, with the exception of those terms and transactions that were agreed pursuant to that certain Partial Repayment Agreement entered into Genesis Global Capital, LLC, DCG and DCG International Investments Ltd., dated as of September 12, 2023 and as amended November 28, 2023.

Notes to the Balance Sheet

- Cash and cash equivalents are primarily held at bank accounts held in United States (except for certain accounts at GAP) and include USD held at Bank Deposit (Savings) Accounts. The majority of cash and cash equivalents consist of investments in US Treasuries.
- Investments in digital currencies at fair value includes digital assets primarily held at a third-party asset custody platform and brokerage accounts.
- Digital currency loans, at fair value includes third party loans outstanding of approx. \$1.5bn. Of the third party loans, approx. \$583M has been pledged as collateral by third parties and is categorized as liabilities in the balance sheet captions "Digital Currency collateral payable" and "USD collateral payable." Digital currency loans, at fair value fluctuate month-over-month as a result of coin prices.
- USD loans receivable, net of allowances, includes \$169M of amounts received from a non-onboarded third-party that are believed to be remitted on behalf of DCG; pending KYC review, platform onboarding, and further review, the received amounts will be applied to loan amounts where appropriate.
- Interest receivable and interest payable include accrued interest on loans and accrued interest on borrows. Interest on loans is accrued through end of the reporting period; interest on borrows is accrued through the Petition Date.
- Receivable from affiliates includes receivables from DCG and certain of its subsidiaries and receivables from Debtors and non-Debtors, including GGC International Limited, Genesis Global Trading, Inc. and other subsidiaries of Genesis Global Holdco, LLC.
- Digital currencies loans payables includes amounts owed to third parties on borrowings from both GGC and GAP. Amounts are reflected in US Dollars converted as of the Petition Date. The balance sheet of GGC as of 3/31/2024 reflects the offset of certain collateral purportedly foreclosed upon by Gemini on 11/16/22 in the amount of \$284 million, which reflects the value of such collateral on 11/16/22 (the Foreclosure Date). The Debtors reserve all rights related to the purported exercise of remedies by counterparties, including Gemini.
- Payables to related parties includes amounts owed to various Genesis entities and DCG and its subsidiaries.
